

DELV Terms of Service

Last Revised: 03/25/2025

These terms of service, together with any documents and additional terms they expressly incorporate by reference (collectively, these “Terms”), are entered into between DELV, Inc. (“DELV,” “we,” “us” and “our”) and you or the company or other legal entity you represent (“you” or “your”), and constitute a binding legal agreement.

Please note that Section 14 contains an arbitration clause and class action waiver. By agreeing to these Terms, you agree (a) with limited exceptions, to resolve all disputes with us through binding individual arbitration, which means that you waive any right to have those disputes decided by a judge or jury, and (b) that you waive your right to participate in class actions, class arbitrations, or representative actions. You have the right to opt-out of arbitration as explained in Section 14.

Please read these Terms carefully, as these Terms govern your use of our Platform and our Services, and expressly cover your rights and obligations, and our disclaimers and limitations of legal liability, relating to such use. By accessing or using the Platform or the Services, you signify that you have read, understand, and agree to be bound by and to comply with these Terms. If you do not agree to these Terms, you are prohibited from accessing or using the Platform or the Services.

You acknowledge and agree that, as provided in greater detail in these Terms: (i) the Platform and the Services are licensed, not sold, to you and you may use the Platform and the Services only as set forth in these Terms; and (ii) the Platform and the Services are provided “as is” and “as available” without warranties of any kind, and our liability to you is limited.

You must be able to form a legally binding contract online either on behalf of a company or as an individual. Accordingly, you represent that: (a) if you are agreeing to these Terms on behalf of a company or other legal entity, you have the legal authority to bind the company or other legal entity to these Terms; and (b) you are at least 18 years old (or the age of majority where you reside, whichever is older), can form a legally binding contract online, and have the full, right, power and authority to enter into and to comply with the obligations under these Terms.

In addition to the foregoing, you also represent and warrant that you are not a citizen or resident of a state, country, territory, or other jurisdiction that is embargoed by the United States, European Union or its Member States, United Kingdom, United Nations, or any other country or region where your use of or access to the Platform or the Services would be illegal or otherwise violate any Applicable Law. Specifically, you represent that you are not located in, organized in, ordinarily resident in, or acting on behalf of anyone in Cuba, Iran, Syria, North Korea, the Crimea region, Donetsk People’s Republic region, Luhansk People’s Republic region, or any other jurisdiction where Applicable Law prohibits you from accessing or using the Services (collectively, “Sanctioned Country”); and you represent that you are not: (i) named on any sanctions-related list of designated persons maintained by the United States, European Union, United Kingdom, United Nations or other governmental authority (“Sanctions List”); (ii) owned, controlled by or acting on behalf of (a) any Sanctioned Country government or the Venezuelan government (including any agency, instrumentality or entity owned/controlled by any of those governments), or (b) any party named on any Sanctions List (collectively, “Sanctioned Persons”).

Please carefully review the assumptions of risk set forth in Section 3.11 and the disclosures and disclaimers set forth in Section 11 in their entirety before using the Platform or any of the Services. The

information in these Terms provides important details about the legal obligations associated with such use.

Among other things, DELV is the developer of one or more open-source software protocols that are, or are intended to be, deployed on multiple decentralized blockchains (such as the Ethereum Blockchain and the Gnosis Blockchain) and interoperate with third-party protocols. DELV is not affiliated with and has no control over these third-party protocols and is not responsible for any losses that occur as a result of interconnection with these third-party protocols.

One open-source software protocol developed by DELV (each a “Protocol”) is the Hyperdrive protocol, which enables fixed-rate and variable-rate markets to be built on top of arbitrary third-party yield sources. While DELV developed and may deploy the Protocol, the software operates in an autonomous fashion on a decentralized network. When deployed (or Forked) by or on behalf of a third party, the relevant instance of the software is owned and controlled by the third party, such as a decentralized autonomous organization (a “DAO”). DELV has no control over and no liability for those deployments (or Forks). It is your responsibility to ensure that you are using your intended deployments (or Forks) of the relevant software.

DELV does control the user interface that we make available via the Platform to facilitate access to the Protocol (each, a “DELV UI”). Be aware that others may develop or make available alternative user interfaces to access the Protocol, whether by Forking our code or otherwise. We have no control over and no liability for any such third-party user interfaces. It is your responsibility to ensure that you are accessing the Protocol through your intended user interface.

You acknowledge and agree that you use the Platform and the Services at your own risk and agree that DELV will not be responsible for any losses that occur as a result of your use of the Platform or the Services.

1. KEY DEFINITIONS

For the purpose of these Terms, the following capitalized terms shall have the following meanings:

1.1 “Affiliate” means, with respect to a party to these Terms, any legal entity that, directly or indirectly controls, is controlled by, or is under common control with such party. As of the date that these Terms were last revised, we did not have any Affiliates, but we may in the future.

1.2 “Applicable Law” means any domestic or foreign law, rule, statute, regulation, bylaw, order, protocol, code, decree, or other directive, requirement or guideline, published or in force that applies to or is otherwise intended to govern or regulate any person, property, transaction, activity, event or other matter, including any rule, order, judgment, directive or other requirement or guideline issued by any Governmental Authority having jurisdiction over DELV, you, the Platform or the Services, or as otherwise duly enacted, enforceable by law, the common law or equity.

1.3 “Blockchain” means the underlying blockchain infrastructure leveraged to perform portions of the Services.

1.4 “Blockchain Wallet Address” means the unique public key digital asset identifier that points to a compatible wallet to which Native Cryptocurrency and other Tokens may be sent or stored.

1.5 “Governmental Authority” includes any domestic or foreign federal, provincial or state, municipal, local or other governmental, regulatory, judicial or administrative authority.

1.6 “Native Cryptocurrency” means the any cryptocurrency asset native to the underlying blockchain that may be used to purchase computational resources to run decentralized applications, perform actions, or store value on the applicable Blockchain.

1.7 “Platform” means the DELV site located at <https://delv.tech> and all associated sites linked thereto by DELV and its Affiliates, in each case to the extent controlled by DELV or its Affiliates, which includes without limitation DELV’s decentralized application layers on Blockchains, DELV’s repositories of its software, the DELV UI(s), the governance portal, and the NFT portal.

1.8 “Services” means the services made available to you by DELV or its Affiliates through the Platform.

1.9 “Token” means a denomination of a cryptocurrency or crypto asset, such as Bitcoin or Ethereum, and includes tokens that represent no monetary or other fungible value.

2. MODIFICATIONS TO THESE TERMS

We reserve the right, in our sole discretion, to modify these Terms from time to time. We will notify you of any changes to these Terms. Notice includes but is not restricted to posting a link to the new Terms, posting new Terms, or uploading a banner on our Platform referencing our new Terms.

Unless we say otherwise in our notice, any and all such modifications are effective immediately, and your continued use of our Platform or our Services after we provide such notice will confirm your acceptance of the changes. If you do not agree to the amended Terms, you must stop using the Platform and the Services. Unless expressly stated herein, these terms provide no legal right or entitlement to any user or any third party.

3. SERVICES

3.1 Descriptions

- a. DeFi Services. We have created one or more Protocols designed to optimize the allocation of users’ digital assets to third-party decentralized web protocols and to enable users to capture yields on assets deposited in a non-custodial manner. We have also designed a user interface designed to enhance accessibility to the Protocol’s features. These are collectively referred to as “DeFi Services.” DeFi Services may not be available in your jurisdiction.
- b. Governance Services. We developed an adaptable governance system software kit and suite of tools that enable a community to create and manage a DAO and are made available to users under an Open-Source License. This functionality is referred to as the “Governance Services.” One project that emanated from our Governance Services was the creation and release of the Element DAO and ELFI (the “Element Governance Token”), which is an ERC-20 governance token that enables Element Governance Token holders to collectively govern the Element DAO. The scope of rights granted to Element Governance Token holders, including voting rights and requirements, are described at: <https://docs-delv.gitbook.io/element-developer-docs> under the heading “Governance (Council)”.

- c. **NFT Services.** Certain qualifying users of the Platform and Services were permitted to mint non-fungible tokens through the NFT portal (“ELF NFTs”). This functionality is referred to as the “NFT Service” and is no longer available. We did not charge for NFT Services, but users were required to cover Gas Charges (see below) incurred in connection with minting each ELF NFT. Once acquired, and for so long as the user continues to be the recorded owner of the ELF NFT in the relevant blockchain, the user received (i) ownership of the NFT digital file, (ii) the right to use the underlying image content in the ELF NFTs, pursuant to a Creative Commons Attribution 4.0 International license and (iii) the right to sell, gift, donate, or otherwise transfer the ELF NFT as a digital file. The same rights and restrictions follow each subsequent transfer. The license terms are available here: <https://creativecommons.org/licenses/by/4.0/legalcode> and are summarized here: <https://creativecommons.org/licenses/by/4.0/>. If the user ever sells, gifts, donates or otherwise transfers the ELF NFT, the licensed rights transfer with the ELF NFT to the new recorded owner.

3.2 Fees

Some of our Services are offered to you at no charge. Other of our Services are provided for a fee, reflecting the value and advanced features they provide. All applicable fees will be clearly disclosed to you at the point of or prior to initiating the fee-based service or transaction. By using any of our fee-based Services, you acknowledge and agree to the stipulated charges and agree to pay all applicable fees as presented.

We reserve the right to alter our fees at any time. Your continued use of our fee-based Services after any fee changes come into effect constitutes your agreement to pay the revised fees. If you do not agree to the fee changes, you have the option to discontinue your use of the fee-based Services.

Third parties, which may offer services through the Platform and/or the Services, may charge fees for their services. Your use of third-party services through the Platform is subject to the terms and conditions offered by that third party.

3.3 Account and Registration

To access certain features available through the Platform or the Services, you may be required to register for an account (e.g., with a third-party service provider). When you register for an account, you may be required to provide us or a third party with some information about yourself, such as your email address or other contact or identifying information. You agree that the information you provide to us is accurate and that you will keep it accurate and up to date at all times. You are solely responsible for maintaining the confidentiality of your account and password, and you accept responsibility for all activities that occur under your account. If you have reason to believe that your account is no longer secure, then you must immediately notify us at legal@delv.tech.

3.4 Connecting Digital Wallet

When using the Platform and/or the Services, you may be required to connect to your digital wallet through one of the compatible third-party software wallets, such as MetaMask, Rainbow, Capsule, Coinbase, WalletConnect or similar software. Software wallets constitute third-party services and DELV is not responsible for, does not endorse, shall not be held liable in connection with and does not make any warranties, whether express or implied, as to the software digital wallets used by you with the Platform or

the Services. When using third-party software wallets, review applicable terms and policies that govern your use of such software.

DELV never receives access to or control over your digital wallet. Therefore, you are solely responsible for (and we are not liable for any failure in) securing your digital wallet and credentials thereto. You may disconnect your digital wallet from the Platform and the Services at any time directly through the Platform.

3.5 Gas Charges

Some Services involve the use of a Blockchain, which may require that you pay a fee for the computational resources required to perform a transaction on the Blockchain (such fees, “Gas Charges”). As an example, for commands on the Ethereum Blockchain, the Gas Charge includes a base fee (which is burned) and a tip (that is sent to the miner or validator of the proof-of-stake).

You acknowledge and agree that DELV has no control over: (i) any Blockchain transactions; (ii) the method of payment of any Gas Charges; or (iii) any actual payments of Gas Charges. You further acknowledge and agree that Gas Charges can change quickly, and DELV is not responsible for any such changes. Accordingly, it is your responsibility to:

- Ensure that you have a sufficient balance of Native Cryptocurrency stored at your Blockchain Wallet Address to complete any transaction on the Blockchain before initiating such Blockchain transaction; and
- Confirm the amount of Gas Charges applicable to a particular Blockchain transaction prior to authorizing that transaction (e.g., through your third-party software wallet provider).

3.6 Conditions and Restrictions

We may, at any time and in our sole discretion, restrict access to, or otherwise impose conditions or restrictions upon use of, the Services or the Platform, with or without prior notice.

3.7 No Broker, Advisory, Legal, Custodial or Fiduciary Relationship

DELV is not your broker, investment adviser, lawyer, intermediary, custodian, agent, or advisor of any kind and has no fiduciary relationship or obligation to you with respect to any decisions or activities that you effect when using the Platform or the Services. Neither our communications nor any information that we provide to you is intended as, or shall be considered or construed as, advice of any kind, including without limitation investment advice or legal advice.

10. THIRD-PARTY SERVICES AND MATERIALS

The Platform and certain Services may display, include or make available content, data, information, applications or materials from third parties (“Third-Party Materials”) or provide links to certain third-party websites. By using the Platform or the Services, you acknowledge and agree that the DELV is not responsible for examining or evaluating the content, accuracy, completeness, availability, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third-Party Materials or websites. We do not warrant or endorse and do not assume and will not have any liability or responsibility to you or any other person for any third-party services, Third-Party Materials or third-party websites, or for any other materials, products, or services of third parties. Third-Party Materials and links to other websites are provided solely as a convenience to you.

11. DISCLOSURES; DISCLAIMERS

DELV is a developer of open-source software. Relatedly, we develop user interfaces (for example to facilitate user access to the Protocol), which we may maintain as proprietary. For commercial customers, we also provide certain software support solutions.

DELV does not operate a digital asset exchange platform or execute peer-to-peer transactions through the Protocol and therefore has no oversight, involvement, or control with respect to your transactions, which are executed through third-party protocols and the Blockchain. The Protocol is an autonomous decentralized web protocol deployed to the Blockchain that operates in a disintermediated fashion, and, as such, DELV does not participate in any of these transactions. In each instance, when you interact with the Protocol, you are interacting with a smart contract that deploys your digital assets to a third-party protocol.

You are responsible for complying with all laws and regulations applicable to your transactions, including, but not limited to, the Commodity Exchange Act and the regulations promulgated thereunder by the U.S. Commodity Futures Trading Commission (“CFTC”), and the federal securities laws and the regulations promulgated thereunder by the U.S. Securities and Exchange Commission (“SEC”), or other regulatory agencies in the U.S. or other jurisdictions.

You understand that DELV is not registered or licensed by the CFTC, SEC, the Financial Crimes Enforcement Network or any financial regulatory authority. No financial regulatory authority has reviewed or approved the use of the Platform or the Services. The Platform, the Services and Tokens could be impacted by one or more regulatory inquiries or regulatory action, which could impede or limit the ability of Element Governance Token holders to continue to develop, or which could impede or limit your ability to access or use the Platform or the Services, including access to your funds and Tokens. Neither the Platform nor the Services constitute advice or a recommendation concerning any asset. DELV is not acting as an investment adviser, financial services advisor, or commodity trading adviser to any person.

DELV does not own or control the underlying instances of the software deployments that enable the Protocol to function. In general, (a) the underlying software is open-source software, and anyone can use, copy, modify, and distribute them and (b) the deployments of such software are owned or controlled by third parties, such as DAOs. Additionally, the underlying protocols are subject to sudden changes in operating rules (known as “Forks”), and such Forks may materially affect the Protocol. DELV is not responsible for operation of the Protocol, and DELV makes no guarantee of its functionality, security, or availability.

With respect to the Platform and any Services, smart contracts, blockchains and cryptographic systems is a new and progressing field. These technologies and the Platform and the Services are experimental in nature and involve some risk. There are numerous ways the Protocol, the Platform, and the Services could fail unexpectedly, resulting in the total and absolute loss of all of your Tokens and/or the casting of your vote under your Element Governance Tokens in an unintended way (or not being cast at all). Any use or interaction with the Protocol, the Platform, and/or the Services requires some understanding of applied cryptography and computer science in order to appreciate the inherent risks. You represent and warrant to us that you possess relevant knowledge and skills.

TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, THE PLATFORM AND THE SERVICES (AND ANY OF THEIR CONTENT OR FUNCTIONALITY) PROVIDED BY OR ON BEHALF OF US ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” BASIS, WITHOUT WARRANTY OR CONDITION OF ANY KIND, EITHER EXPRESS OR IMPLIED. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE EXPRESSLY

DISCLAIM, AND YOU HEREBY WAIVE, ANY REPRESENTATIONS, CONDITIONS OR WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, LEGAL, STATUTORY OR OTHERWISE, OR ARISING FROM STATUTE, OTHERWISE IN LAW, COURSE OF DEALING, OR USAGE OF TRADE, INCLUDING, WITHOUT LIMITATION, THE IMPLIED OR LEGAL WARRANTIES AND CONDITIONS OF MERCHANTABILITY, MERCHANTABLE QUALITY, QUALITY OR FITNESS FOR A PARTICULAR PURPOSE, TITLE, SECURITY, AVAILABILITY, RELIABILITY, ACCURACY, QUIET ENJOYMENT AND NON-INFRINGEMENT OF THIRD-PARTY RIGHTS. WITHOUT LIMITING THE FOREGOING, WE DO NOT REPRESENT OR WARRANT THAT THE PLATFORM OR THE SERVICES (INCLUDING ANY DATA RELATING THERETO) WILL BE UNINTERRUPTED, SECURE, AVAILABLE AT ANY PARTICULAR TIME OR FREE OF ERRORS, VIRUSES, OR OTHER HARMFUL COMPONENTS. FURTHER, WE DO NOT WARRANT THAT ERRORS IN THE PLATFORM OR THE SERVICES ARE CORRECTABLE OR WILL BE CORRECTABLE. WE EXPRESSLY DISCLAIM ANY WARRANTIES OF ANY KIND, INCLUDING WITH RESPECT TO THE ACCURACY, VALIDITY, OR COMPLETENESS OF ANY INFORMATION OR FEATURES AVAILABLE THROUGH THE PLATFORM OR THE SERVICE, OR THE QUALITY OR CONSISTENCY OF THE PLATFORM OR THE SERVICE. WE FURTHER DISCLAIM ANY WARRANTY OR LIABILITY RELATED (I) TO DEPLOYMENTS (OR FORKS) BY OR ON BEHALF OF A THIRD PARTY OF OUR SOFTWARE, INCLUDING THE PROTOCOL, AND (II) TO YOUR CARRIER'S NETWORK OR SERVICE.

NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM THE PLATFORM OR THE SERVICES OR ANY MATERIALS OR CONTENT AVAILABLE THROUGH THE PLATFORM OR THE SERVICES WILL CREATE ANY WARRANTY BY US OR OUR AFFILIATES THAT IS NOT EXPRESSLY STATED IN THESE TERMS. YOU ASSUME ALL RISK FOR ANY DAMAGE THAT MAY RESULT FROM YOUR USE OF OR ACCESS TO THE PLATFORM OR THE SERVICE, YOUR DEALING WITH ANY OTHER USER, AND ANY MATERIALS OR CONTENT AVAILABLE THROUGH THE PLATFORM OR THE SERVICE. YOU UNDERSTAND AND AGREE THAT YOU USE THE PLATFORM OR THE SERVICE, AND USE, ACCESS, DOWNLOAD, OR OTHERWISE OBTAIN MATERIALS OR CONTENT THROUGH THE PLATFORM OR THE SERVICES AND ANY ASSOCIATED SITES OR SERVICES, AT YOUR OWN DISCRETION AND RISK, AND THAT YOU ARE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR PROPERTY (INCLUDING YOUR COMPUTER SYSTEM OR MOBILE DEVICE USED IN CONNECTION WITH THE SERVICE), OR THE LOSS OF DATA THAT RESULTS FROM THE USE OF THE PLATFORM OR THE SERVICES OR THE DOWNLOAD OR USE OF THAT MATERIAL OR CONTENT.

You acknowledge that your data on the Platform may become irretrievably lost or corrupted or temporarily unavailable due to a variety of causes, and agree that, to the maximum extent permitted under Applicable Law, we will not be liable for any loss or damage caused by denial-of-service attacks, software failures, viruses or other technologically harmful materials (including those which may infect your computer equipment), protocol changes by third-party providers, Internet outages, or scheduled or unscheduled maintenance.

The disclaimer of implied warranties contained herein may not apply if and to the extent such warranties cannot be excluded or limited under the Applicable Law of the jurisdiction in which you reside.

12. LIMITATION OF LIABILITY

THE FOLLOWING APPLY IN EACH CASE TO THE FULLEST EXTENT PERMITTED BY LAW. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE BELOW EXCLUSION OR LIMITATION MAY NOT APPLY TO YOU.

IN NO EVENT SHALL WE (TOGETHER WITH OUR AFFILIATES, AND OUR AND OUR AFFILIATES' RESPECTIVE SHAREHOLDERS, MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, ATTORNEYS, AGENTS, REPRESENTATIVES, SUPPLIERS OR CONTRACTORS) BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE, CONSEQUENTIAL OR SIMILAR DAMAGES OR LIABILITIES WHATSOEVER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF DATA, INFORMATION, REVENUE, GOODWILL, PROFITS OR OTHER BUSINESS OR FINANCIAL BENEFIT) ARISING OUT OF OR IN CONNECTION WITH THE PROTOCOL, THE PLATFORM, OR THE SERVICES (AND ANY OF THEIR CONTENT AND FUNCTIONALITY), ANY EXECUTION OR SETTLEMENT OF A TRANSACTION, ANY PERFORMANCE OR NON-PERFORMANCE OF THE PROTOCOL, THE PLATFORM, OR THE SERVICES, YOUR TOKENS OR ANY OTHER PRODUCT, SERVICE OR OTHER ITEM PROVIDED BY OR ON BEHALF OF US, WHETHER UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE), CIVIL LIABILITY, STATUTE, STRICT LIABILITY, BREACH OF WARRANTIES, OR UNDER ANY OTHER THEORY OF LIABILITY, AND WHETHER OR NOT WE HAVE BEEN ADVISED OF, KNEW OF OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING ANY FAILURE OF THE ESSENTIAL PURPOSE OF THESE TERMS OR ANY LIMITED REMEDY HEREUNDER NOR IS DELV IN ANY WAY RESPONSIBLE FOR THE EXECUTION OR SETTLEMENT OF TRANSACTIONS BETWEEN USERS OF THE PROTOCOL, THE PLATFORM, OR THE SERVICES.

IN NO EVENT SHALL OUR AGGREGATE LIABILITY (TOGETHER WITH OUR AFFILIATES, AND OUR AND OUR AFFILIATES' RESPECTIVE SHAREHOLDERS, MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, ATTORNEYS, AGENTS, REPRESENTATIVES, SUPPLIERS OR CONTRACTORS) ARISING OUT OF OR IN CONNECTION WITH THE PROTOCOL, THE PLATFORM, OR THE SERVICES (AND ANY OF THEIR CONTENT AND FUNCTIONALITY), ANY PERFORMANCE OR NON-PERFORMANCE OF THE PROTOCOL, THE PLATFORM, OR THE SERVICES, YOUR TOKENS OR ANY OTHER PRODUCT, SERVICE OR OTHER ITEM PROVIDED BY OR ON BEHALF OF US, WHETHER UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE), CIVIL LIABILITY, STATUTE, STRICT LIABILITY OR OTHER THEORY OF LIABILITY EXCEED THE GREATER OF (A) AMOUNT OF FEES PAID BY YOU TO US UNDER THESE TERMS, IF ANY, IN THE THREE (3) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM FOR LIABILITY AND (B) \$100.

13. THIRD-PARTY DISPUTES.

WE ARE NOT AFFILIATED WITH ANY CARRIER, SERVICE PROVIDER, OR ADVERTISER, AND ANY DISPUTE YOU HAVE WITH ANY CARRIER, SERVICE PROVIDER, ADVERTISER, OR OTHER THIRD PARTY, INCLUDING WITHOUT LIMITATION ANY OTHER USER OF THE PROTOCOL, THE PLATFORM, OR THE SERVICES, IS DIRECTLY BETWEEN YOU AND SUCH THIRD PARTY, AND YOU IRREVOCABLY RELEASE US, OUR AFFILIATES, AND OUR AND OUR AFFILIATES' RESPECTIVE SHAREHOLDERS, MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, ATTORNEYS, AGENTS, REPRESENTATIVES, SUPPLIERS OR CONTRACTORS FROM CLAIMS, DEMANDS AND DAMAGES (ACTUAL AND CONSEQUENTIAL) OF EVERY KIND AND NATURE, KNOWN AND UNKNOWN, ARISING OUT OF OR IN ANY WAY CONNECTED WITH SUCH DISPUTES.

IF YOU ARE A CALIFORNIA RESIDENT, YOU WAIVE CALIFORNIA CIVIL CODE §1542, WHICH SAYS: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

14. DISPUTE RESOLUTION AND ARBITRATION

PLEASE READ THE FOLLOWING SECTION CAREFULLY BECAUSE IT REQUIRES YOU TO SUBMIT TO BINDING ARBITRATION (JURY TRIAL WAIVER) OF ANY AND ALL DISPUTES (OTHER THAN SPECIFIED INTELLECTUAL PROPERTY CLAIMS AND SMALL CLAIMS) WITH DELV AND LIMITS THE MANNER IN WHICH YOU CAN SEEK RELIEF FROM DELV (NO CLASS ARBITRATIONS, CLASS ACTIONS OR REPRESENTATIVE ACTIONS OR ARBITRATIONS).

- a. Binding Arbitration; Disputes; Small Claims. You and DELV agree to waive any right to a jury trial, or the right to have any Dispute resolved in any court, and instead accept the use of binding arbitration (which is the referral of a Dispute to one or more impartial persons for a final and binding determination); provided, however, that you have the right to litigate any Dispute in small claims court in either New Castle County, Delaware or in your county of residence, if all the requirements of the small claims court, including any limitations on jurisdiction and the amount at issue in the Dispute, are satisfied. “Dispute” as used in this Section 14 means any dispute, cause of action, claim, or controversy arising out of or in any way related to DELV in connection with these Terms, the subject matter of these Terms (including the enforceability of this arbitration provision), or access to and use of the Protocol, the Platform, the Services or other DELV’s products including but not limited to contract, personal injury, tort, warranty, statute or regulation, or other legal or equitable basis and disputes that involve third parties, except any dispute, cause of action, claim, or controversy relating to DELV’s intellectual property (such as trademarks, trade dress, domain names, trade secrets, copyrights, and/or patents). You and DELV empower the arbitrator with the exclusive authority to resolve any Dispute relating to the interpretation, applicability or enforceability of these Terms or formation of this contract, including the arbitrability of any Dispute and any claim that all or any part of these Terms are void or voidable.
- b. No Jury Trial. EACH PARTY EXPRESSLY WAIVES ANY RIGHT TO A JURY TRIAL IN ANY DISPUTE ARISING OUT OF OR RELATED TO THIS AGREEMENT.
- c. No Class Arbitrations, Class Actions or Representative Actions. You and DELV agree that any Dispute is personal to you and DELV, and that any Dispute shall only be resolved by an individual arbitration and shall not be brought as a class arbitration, a class action, or any other representative proceeding. Neither party agrees to class arbitration, or an arbitration where a person brings a Dispute as a representative of any other person or persons. Neither you nor DELV agree that a Dispute can be brought as a class or representative action whether inside or outside of arbitration, or on behalf of any other person or persons.
- d. Federal Arbitration Act. You and DELV agree that these Terms affect interstate commerce and that the enforceability of this Section 14 shall be governed by, construed, and enforced, both substantively and procedurally, by the Federal Arbitration Act, 9 U.S.C. § 1 et seq. (“FAA”) to the maximum extent permitted by Applicable Law.
- e. Confidentiality. The arbitrator, DELV, and you shall maintain the confidentiality of any proceedings, including but not limited to, any and all information gathered, prepared, and presented for purposes of the arbitration or related to the Dispute(s)

therein. The arbitrator shall have the authority to make appropriate rulings to safeguard that confidentiality, unless the law provides to the contrary.

- f. Process. Our goal is to resolve claims fairly and quickly. Accordingly, for any Dispute that you have against DELV, you agree to first contact DELV and attempt to resolve the claim informally by sending a written notice of your claim ("Notice") to DELV. The Notice to DELV must be sent either by email at legal@delv.tech or by certified mail addressed to DELV, Inc., Attn: Legal, 8528 Davis Blvd, #134-262, North Richland Hills, Texas 76182. The Notice must: (i) include your name, residence address, and email address and/or mobile telephone number; (ii) describe the nature and basis of the claim; and (iii) set forth the specific relief sought. If you and DELV cannot reach an agreement to resolve the claim within 30 days after such Notice is received, then either party may, as appropriate in accordance with these Terms, commence an arbitration proceeding or file a claim in court. You and DELV agree that any Dispute must be commenced or filed within one year after such claim arose; otherwise, the Dispute is permanently barred.

In the event that you and DELV cannot resolve a Dispute and you do not pursue your claims through small claims court, you or DELV shall promptly submit the Dispute to binding arbitration at the office of the American Arbitration Association ("AAA"). In the event AAA declines or is unable to administer the arbitration, you and DELV agree to use an arbitration forum or arbitrator that you and DELV mutually agree upon. If, after making a reasonable effort, you and DELV are not able to agree upon an arbitration forum or arbitrator, AAA or a court having proper jurisdiction will appoint an arbitration forum or arbitrator. The arbitration will be conducted in accordance with the AAA Consumer Arbitration Rules ("AAA Rules") then in effect. The AAA Rules and other information about AAA and arbitration are readily available at <https://www.adr.org>, by calling 1-800-778-7879, or by mail at 120 Broadway, Floor 21, New York, NY 10271. By entering into these Terms, you either (1) acknowledge that you have read and understand the AAA Rules or (2) waive reading the AAA Rules and waive any claim that the AAA Rules are unfair in any way. You and DELV agree that these Terms govern the arbitration, and that the applicable AAA Rules shall be subject to changes in procedures that AAA may make from time to time.

As limited by the FAA, these Terms, and the applicable AAA Rules, the arbitrator will have the exclusive power and jurisdiction to make all procedural and substantive decisions concerning the Dispute; provided, however, that this power does not include the power to conduct a class arbitration or a representative action, which is prohibited by these Terms (as stated above). The arbitrator may only conduct an individual arbitration and may not consolidate more than one person's claims and may not preside over any form of representative or class proceeding, or any proceeding on behalf of or involving more than one person or persons.

Unless the arbitrator finds the arbitration was frivolous or brought for an improper purpose, each party shall bear its own costs of arbitration except that the fees and charges of the arbitrator shall be shared equally by DELV and you.

- g. Right to Opt Out. You may opt out of this agreement to arbitrate. If you do so, neither you nor DELV can require the other to participate in an arbitration proceeding. To opt out, you must notify us in writing within 30 days of the date that you first became subject to this arbitration provision, and must include your name, residence address, and email address, and a clear statement that you want to opt out of this arbitration

agreement. Any requests to opt out must be sent either by email at legal@delv.tech or by certified mail addressed to DELV, Inc., Attn: Legal, 8528 Davis Blvd, #134-262, North Richland Hills, Texas 76182.

If a court or arbitrator decides that any of this Section's limitations cannot be enforced as to a particular claim for relief or request for a remedy (such as public injunctive relief), then that claim or request for a remedy (and only that claim or request) must be severed from the arbitration and may be brought in court.

Unless you choose to opt out, this dispute resolution provision in Section 14 shall survive termination of these Terms.

15. GOVERNING LAW

The interpretation and enforcement of these Terms, and any dispute related to these Terms, the Protocol, the Platform or the Services, will be governed by and construed and enforced in accordance with the laws of the State of Delaware, as applicable, without regard to conflict of law rules or principles (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any other jurisdiction. With respect to any proceeding that is not subject to arbitration under these Terms, the state and federal courts located in Delaware, will have exclusive jurisdiction and venue, except for any dispute, cause of action, claim, or controversy relating to DELV's intellectual property, which we may initiate in any court having jurisdiction. You waive any objection to venue in any such courts.

16. ADDITIONAL TERMS

Your use of the Platform or the Services is subject to all additional terms, policies, rules, or guidelines applicable to the Platform or the Services or certain features thereof that we may post on or link to from the Platform or the Services (the "Additional Terms"). All Additional Terms are incorporated by this reference into, and made a part of, these Terms. In the event of a conflict between the Additional Terms and these Terms, the Additional Terms shall control solely with respect to the Platform or Service-feature that is subject to the Additional Terms.

17. GENERAL

17.1 Waiver and Severability

Any right or remedy of DELV set forth in these Terms is in addition to, and not in lieu of, any other right or remedy whether described in these Terms, under Applicable Law, at law or in equity. Our failure or delay in exercising any right, power, or privilege under these Terms shall not operate as a waiver thereof. The invalidity or unenforceability of any of these Terms shall not affect the validity or enforceability of any other of these Terms, all of which shall remain in full force and effect.

17.2 Force Majeure

We will have no responsibility or liability for any failure or delay in performance of the Platform or any of the Services, or any loss or damage that you may incur, due to any circumstance or event beyond our control, including without limitation any flood, extraordinary weather conditions, earthquake, or other act of God, fire, war, insurrection, riot, labor dispute, accident, action of government, communications, power failure, or equipment or software malfunction.

17.3 Assignability

You may not assign or transfer any right to use the Platform or the Services, or any of your rights or obligations under these Terms, without our express prior written consent, including by operation of law or in connection with any change of control. We may assign or transfer any or all of our rights or obligations under these Terms, in whole or in part, without notice or obtaining your consent or approval.

17.4 Headings

Headings of sections are for convenience only and shall not be used to limit or construe such sections.

17.5 Entire Agreement; Conflicts

These Terms, together with any Additional Terms and the Privacy Policy, contain the entire agreement and supersede all prior and contemporaneous understandings between the parties regarding the Platform and the Services. In the event of any conflict between these Terms and any other agreement you may have with us, these Terms will control unless the other agreement specifically identifies these Terms and declares that the other agreement supersedes these Terms. In the event of any conflict between these Terms and any non-English language translation thereof, these Terms in the English language will control.

17.6 No Third-Party Beneficiaries

Our Affiliates and the Indemnified Parties are expressly intended to be third-party beneficiaries under these Terms. You agree that, except as otherwise expressly provided in these Terms, there shall be no third-party beneficiaries.

17.7 Contact

You may contact us regarding the Platform, the Services or these Terms at legal@delv.tech or at: DELV, Inc., Attn: Legal, 8528 Davis Blvd, #134-262, North Richland Hills, Texas 76182.
